

Eddie Award Winners

TrueFlix

Awarded the **Best Multi-Subject Website** for Upper Elementary Students, TrueFlix captures the attention of children in grades three to six, motivating students to learn social studies, science, and literacy skills.

BookFlix

Recognized as the **Best Reading Skills eBooks for Early Learning**, BookFlix pairs animated stories with related nonfiction text to help grades PreK-3 students connect reading with real life.

FreedomFlix

FreedomFlix helps students to comprehend and evaluate nonfiction text across a range of type and complexities—for which it was recognized as the **Best American History Website** for Middle School.

ScienceFlix

Awarded the **Best Science Website for Middle School**, ScienceFlix provides students with a better understanding of science concepts and ideas through hands-on projects, videos, leveled articles and more.

Scholastic Digital was recognized with four Education Software Review Awards (“Eddies”), which target innovative and content-rich programs and websites that augment the classroom curriculum and improve teacher productivity, providing parents and teachers with the technology to foster educational excellence.
