Grades: 3-5 | Ages: 8-10 | 48 pp.

"...this is more than just a report book. With a clear writing style, two-page topical spreads, ample photographs, and fast facts frequently interspersed in the text, this book will easily engage elementary readers interested in these fascinating creatures."

—Booklist on *Orangutans*

- ③ **Colorful photos and graphics** clearly offer an up-close look at nature's most fascinating creatures
- ③ A **Fact File** provides an easy reference for vital information about the animals' classification and basic habits
- ③ A **large photo with callouts** explains how the animal uses different body parts to survive, and thrive, in its habitat
- ③ **Fast Facts** throughout the book supplement information in the main text
- ③ The **final chapter** describes the way each of these animals interacts with the human species
- ③ A **Family Tree** shows clearly and simply how the featured animal has evolved from and fits into the wider category of its order
