# Search

## Better Search. Better Returns.

**Scholastic GO!** has been providing the most reliable, age-appropriate articles and resources on core curriculum content for more than ten years. Librarians have relied on this resource to support young patrons' research projects, homework help, and more.

In an effort to best support the **Scholastic GO!** users and the features they most utilize, **Scholastic GO!** was recently reimagined and re-engineered to have an increased focus on search and superior search return functionality. These upgrades are designed to minimize the time spent searching, allowing more time for discovery and learning.

# Return

## Search by subject. Explore by media type.

Designed with repeat usability in mind, the improved search return showcases enhanced delivery, organization, and presentation of articles, images, videos, websites and more—**for more efficient research and discovery.**

Our new search return functionality delivers all relevant content—in every type of media and text type—in one clean, easy-to-navigate layout. Images, articles, videos, factboxes, sidebars, maps, and websites are returned at once—and can be filtered by reading level!

The screenshot shows the Scholastic Go! search interface. At the top, the Scholastic Go! logo is on the left, and an 'Advanced Search' bar with a search button is in the center. To the right of the search bar are icons for Dictionaries, GO Tube Videos, World Newspapers, and Atlas. Below the search bar, navigation links for 'All', 'Articles', 'Images', 'Videos', 'More info', and 'Web Sites' are displayed. The search results for 'polar bear' are shown, with a summary of 'Results found in your search for: polar bear'. The results are categorized into 'Images - 70 results', 'Articles - 2273 results', 'Video - 1 result', 'More info - 82 results', and 'Web Sites - 110 results'. The 'Images' section shows three polar bear photos. The 'Articles' section includes a 'Choose a reading level' filter with options: All, Level 1 (Grades 5 and under), Level 2 (Grades 5-8), Level 3 (Grades 8-12), and Level 4 (Grades 11+). Below the filter, four article results are listed, each with a Lexile score and a brief description. The 'Video' section shows one result, 'Polar Bear'. The 'More info' section lists various informational links like 'Creatures on Ice', 'Animal Gestation Periods', 'Classification of Mammals', 'Plants of the Tundra and Taiga', and 'Only a Mirage'. The 'Web Sites' section shows one result, 'Polar Bear / IBA', with a brief description and a link to 'Polar bear - Ursus maritimus - ARKive'.
