Suzanne Collins' bestselling Hunger Games trilogy comes to life with a stunning performance by Carolyn McCormick as young hero Katniss Everdeen. Katniss fights for her life, her family and—eventually—the fate of all the Districts under the control of the evil Capital as she competes in the Hunger Games. This fast-paced, heart-stopping, heart-wrenching vision of the future will keep listeners gasping until the last chapter.

"TWILIGHT FANS SHOULD BE THRILLED TO HEAR THIS LOVE STORY READ ALOUD."

—Horn Book

Every summer, Sam spends a few precious months being human, until the cold causes him to shift into wolf form once again. When he meets Grace, their romance gets hot. But will it be enough to keep them together—and keep Sam human? Wolves are being hunted, lives are being threatened, and stakes are raised even higher in this chilling romance. Written with sass and spunk by up-and-coming literary star and confessed fantasy junkie, Maggie Stiefvater. You'll tear into this series like a hungry pack of wolves would a deer.
