

## ScienceFlix Named Best Database of the Year by *School Library Journal*

February 4, 2015

**ScienceFlix**, a new digital resource designed to build scientific knowledge and interest in STEM subjects and careers, has been named one of *School Library Journal's* "Best Databases" of the year!

SLJ writes in their review:

*"As the newest product in the Flix series, ScienceFlix is a mobile-ready program, which transforms the way students access science topics, acquire scientific knowledge, and build an abiding interest in science technology, and engineering."*

The *Verona Foundation for Educational Excellence* has given Jen Kleinknecht, a HBW librarian, and the HBW science department a grant for Science Flix, a curriculum driven science database with integrated and interactive features and intuitive navigation. It provides students with a better understanding of science concepts and ideas through hands-on projects, articles, videos, teacher lesson plans and rubrics.
