### Authentication Method

Access to digital products can be set up in a number of ways. Please let us know which you'd prefer.

- IP-Based Authentication**  
Access is validated based upon the incoming IP address of the request.
- Referring URL Authentication**  
Access is validated based upon the browser's most recently accessed URL.
- Shared Credentials Validation**  
Access is validated based upon a username and password entered by the customer.

**Questions on authenticating options?**  
Our Tech Support Team is here to help: 800-724-2222, Option 5.

### Remote Access

All of our digital products can be accessed by teachers and students remotely.

- Check this box to request a unique username and password be created for your users to access digital products remotely.** It will be up to the administrator to share these credentials.

### Special Instructions:

## Important Reminders

### Acceptance of Scholastic Product Terms and Agreement

- Terms and Agreement must be reviewed and accepted before access is granted.
- The Scholastic Product Terms and Agreement will be emailed to designated contact listed in item #2 within 3–5 business days of processing your order.

### Access Information Emailed

- After completion of the Scholastic Product Terms and Agreement, your designated contact will receive an email from [digitalservice@scholastic.com](mailto:digitalservice@scholastic.com) indicating your subscription is ready.
