Community Helpers

There are some jobs that keep our communities' wheels spinning. Farmers provide our food while garbage collectors get rid of our waste. Mechanics keep our machines running smoothly and librarians help us find the information we need. This series explores the community helpers of today and how their work keeps our communities running safely and smoothly.

Space Science

From speeding comets and asteroids to orbiting bodies and beyond, space expands far outside what we know. But there are many things we have discovered about the depths of space. Readers will explore the formation of different parts of space, reasons why we study space, and so much more in a series that is out of this world!

Release Date: August 20, 2018

Pub Date: September 1, 2018

\$26.00 (Reinforced Library Binding)

Interest Level: Grades 3-7

Reading Level: Grades 2-3

Ages: 7-12

24 pages, full-color photographs

Trim: 6 1/2 x 9
