

Rocks & Minerals

Rocks and minerals are all around us! Not only are they on the ground at our feet, but they make up objects and technologies that we use every day. From granite countertops to tiny crystals found in electronic devices, rocks and minerals help our world run. This fascinating series uses diagrams, comparisons, and hands-on activities to help readers explore the formation and uses of different rocks and minerals.

Release Date: August 19, 2019

Pub Date: September 1, 2019

\$27.00 (Reinforced Library Binding)

Interest Level: Grades 3-8

Reading Level: Grades 3-4

Age Range: 8-13

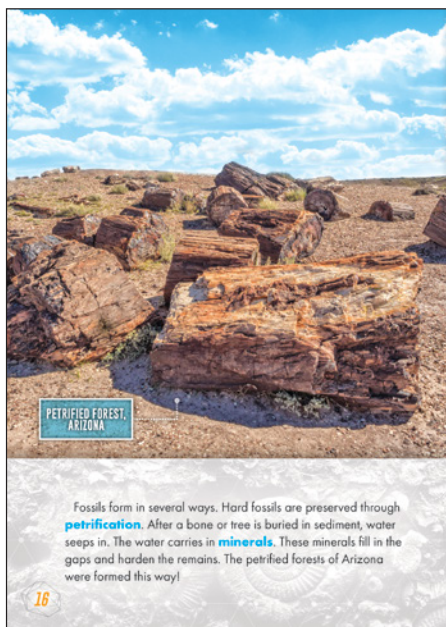

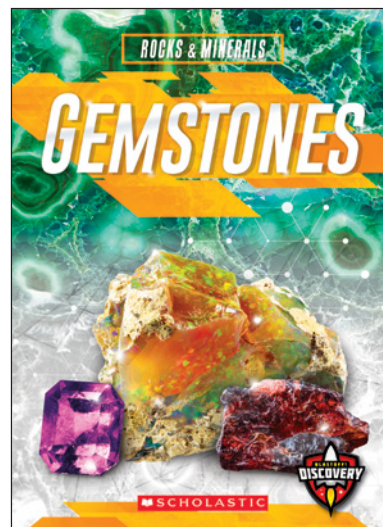

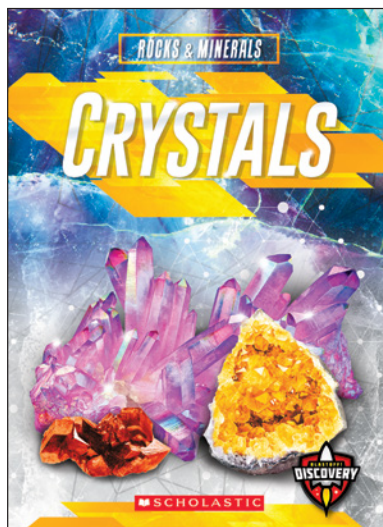

32 pages, full-color photographs

Trim: 6 1/2 x 9
