

Animals of the Wetlands

Swamps, marshes, and other wetlands are home to some of the world's most interesting animals. But life isn't always easy for these creatures. They must adapt to escape predators, find food, and build shelter in their watery habitats. Packed with features such as animal profiles and range maps, this low-level series will give readers a sneak peek into the lives of the animals that make homes in the wetlands biome.

Release Date: August 19, 2019

Pub Date: September 1, 2019

\$26.00 (Reinforced Library Binding)

Blastoff! Readers Level: 2

Grade Range: 1-2

Age Range: 6-7
