

Watch & Learn LIBRARY™

Videos have become an essential part of learning and are one of the best tools to build learning excitement! Created by the editors of *Scholastic News®* and *Let's Find Out Magazines®*, the *Watch & Learn Library™* provides young learners with an online bank of developmentally-appropriate nonfiction videos to build knowledge, vocabulary, and introduce new concepts and topics. Simple and intuitive navigation makes learning with the *Watch & Learn Library™* an educational delight!

230+ nonfiction videos with real-world footage | Developmentally-appropriate nonfiction videos aligning to science, social studies, and social-emotional curricula | Think Sheets to set a purpose for learning | Vocabulary Builder for each video | Closed captioning to support beginning readers and ELL | Short, fun quizzes to gauge comprehension
