

THE SIGN LANGUAGE STORYTELLING SERIES

FOR HEARING AND DEAF CHILDREN

ASL
Inside

The Sign Language Storytelling Series helps all children appreciate the richness of visual language. This 'hands-on' learning series teaches hearing and deaf children basic American Sign Language (ASL) vocabulary, while setting them on a path to a 'second language.'

- Benefits:** • Helps to develop fine motor skills • Improves IQ, according to research on early ASL usage
Bonus Features: • Signing provided by native deaf signers • Interactive quiz and 20-word vocabulary
 • Read-Along Option and Activity Guide • Materials for additional activities available on-line.
 See Resources section at www.scholastic.com/westonwoods.

"In addition to warm narration, read-along text, and vivid images from the books' illustrations, each volume includes a sign-language telling of the story. These brief, heartwarming adaptations are perfect for kindergarten, preschool and elementary school libraries...All are highly recommended." - Midwest Book Review

"These excellent videos, suitable for deaf or hearing children, combine the quality viewers have come to expect from Weston Woods. With the American Sign Language (ASL) savvy of production company ASL Inside...the series will appeal to multiple audiences: deaf children can access the stories in their native language while building English vocabulary and reading skills, and hearing youngsters can practice their English vocabulary while learning basic ASL." - Starred Review, School Library Journal
